

Brookings-Harbor Baseball Club

Intermediate/Middle School Travel Baseball

Committed to developing young athletes both on and off the field

We are this community's premier middle school baseball program. We have created our platform to help the progress of Brookings Baseball community. We are a non-profit organization that is looking for donations to give our players a fresh experience this upcoming year. We have multiple sponsorship opportunities, from getting on our banner to sponsoring a whole team.

Come with us on our journey all over Oregon, looking for elite talent to challenge. We have coaches that can offer a schedule that is guaranteed to expose our young athletes to high quality baseball, advanced team cooperation, responsibility, dedication, and social engagements. Our players have the chance to play teams all across Oregon.

Top-Tier Competition = Maximum Development

In order to give our athletes the chance to reach their full potential, we offer both Spring and Summer seasons. Both seasons are packed with elite competition exhibitions and tournaments. Trust in us and we can expose these kids to some of the best baseball Oregon has to offer.

We offer seasonal teams in 3 divisions:

Depending on registration numbers and skills assessment results, Division teams may be added or removed.
